

Australian Journal of Medical Herbalism

Instructions for Contributors

The NHAA invites contributions to the *Australian Journal of Medical Herbalism*.

The *Australian Journal of Medical Herbalism* publishes material on all aspects of medical herbalism with emphasis on the philosophy of medical herbalism and the phytochemistry, pharmacology and clinical applications of medicinal plants.

Editorial policy

- Subject material must relate to medical herbalism.
- Accepted articles become the property of the National Herbalists Association of Australia.
- Contributions are subject to editing.
- Contributions to the *Australian Journal of Medical Herbalism* must not be submitted elsewhere.

Peer review

- All feature articles will be reviewed by two independent peer reviewers.
- Reviewed articles will be returned to the author for modification if required.

Contribution requirements

- Files should be saved as Word for Windows or equivalent document and should be sent electronically as a complete version or by post with an original printed version and disc or CD copy.
- All statements must be referenced and a full reference list must be included. If the statement is the author's observation or opinion this should be made clear.
- All statements should be of a professional nature and exclude any inflammatory, derogatory, racist or other inappropriate style of writing.
- Papers should be no more than 15 typewritten pages or 5000 words including tables and references. The number of references should not exceed 30 (except for review articles).
- An abstract of the article should be included.
- A brief profile of the author/s should be included.

Referencing (inability to use required referencing may result in delay or rejection of article)

- Textual citation requires surname name of first author only and year of publication at the end of statements or paragraphs (Cowper 2003).
- The reference list should be arranged in alphabetical order using the following format:

Journals

Author's surname Author's initials. Year. Title of article. *Journal name* volume:issue;page number-s.

(Cowper A. 2007. Instructions for contributors. *Aust J Med Herbalism* 19:4;81-2.)

Internet references should be in the format: Accessed 25 May <www.nhaa.org.au>.

Books

Author's surname Author's initials. Year. *Book title*. Edition. City of publication: Publisher. (Snooks R. 2002. *Style Manual*. 6th edn. Sydney: Wiley & Sons.)

Author contact details

Full contact details of at least one major author must be included with any submission.
