## SYMPOSIUM 2020

### INFLUENTIAL WOMEN IN NATURAL THERAPIES

**NICM HEALTH RESEARCH INSTITUTE (NICM HRI) AT WESTERN SYDNEY UNIVERSITY WILL HOST ITS INAUGURAL SYMPOSIUM *INFLUENTIAL WOMEN IN NATURAL THERAPIES* TO CELEBRATE AND MARK INTERNATIONAL WOMEN'S DAY AND THE NEW JACKA FOUNDATION CONFERENCE CENTRE ON 11 MARCH 2020**

Attracting leading Australian researchers, clinicians, authors and integrative medicine advocates, the Symposium will recognise the contributions over time that women have made to natural medicine in Australia, and provide a forum for further planning and motivation of the next generation of integrative and lifestyle medicine researchers and healthcare professionals.

Key speakers will share their candid insights and wisdom in the field, and discuss the future of healthcare choices and what's ahead for complementary and integrative medicine and its new generation of women leaders.
